MEMORANDUM FOR: Chairman, DCID 1/2 Committee

FROM:

Director, Intelligence Community Staff

STAT

SUBJECT: Narcotics Intelligence Priorities

The Vice President, in his capacity as Chairman of the President's Task Force on South Florida, has enlisted the Intelligence Community's assistance in the effort to halt the traffic in narcotics between various Central and South American countries and the United States. I would like the DCID 1/2 Committee to sponsor a review of the relative priorities assigned to narcotics intelligence topics with respect to the indicated countries in order to assure they are commensurate to the importance attached to the drug enforcement effort being supported.
